**HILLCREST TO FEATURE PET CHIROPRACTOR
IN WELLNESS PROGRAM LINE-UP**

Hermitage, Pennsylvania – July 12, 2007 — **Hillcrest Dog Park and Wellness Center** will feature a monthly pet chiropractics demonstration as one of its many wellness programs open to the public and their pets at **2619 East State Street** (next to Kraynak's). **David A. Smolensky, D.C.** of Mars Family Chiropractic Center will be a featured monthly guest speaker beginning on **Saturday, July 14, from 10 a.m. to 1 p.m.** He will discuss and demonstrate pet chiropractics and also will be available for adjusting all types of pets including dogs, cats, pet bunnies, guinea pigs – even iguana. Future dates for Dr. Smolensky will be announced each month on hillcrestflynn.com.

Dr. Smolensky has adjusted pets for 12 years. He always loved pets and when one of his patients asked him to adjust his dog, he would not do it until he received additional training and certification for treating pets. Dr. Smolensky received his certification from the American Veterinary Chiropractic Association, a certification that is only open to chiropractors and veterinarians. He has earned 300 post-graduate hours.

Dr. Smolensky treats human patients four days a week in his busy chiropractics office located in Mars, Pa. and pets twice a week. He resides in Mars and has four dogs.

Hillcrest-Flynn Pet Funeral Home and Crematory and Hillcrest Memorial Park People and Pet Gardens provide respectful, compassionate, comprehensive after-life care for pets and support services for families. **Hillcrest Dog Park and Wellness Center**
