Hillcrest Dog Park and Wellness Center

A new, quarter-acre membership dog park with an emphasis on wellness. Located at 2619 East State Street next to Kraynak's.

The first off-leash park for dogs in Mercer County and surrounding areas.

Complete with custom playground gym equipment for dogs, serpentine and horseshoe-shaped exercise tunnels, enrichment toys, a soft play surface, and a large- and medium-sized dog play area as well as a self-contained small dog and puppy area.

Allow dogs to be dogs. A convenient place to exercise your dog and to allow dogs to play and have fun interacting with other dogs in an enclosed park designed just for them.

Safe and secure. A well-maintained, fenced, lighted and camera-monitored dog park, which is open year-round and 24-hours a day through secured key entry gates.

Membership. Your membership means your dog has met temperament and AKC Canine Good Citizen criteria and has a current vaccination record and license.

For the love of pets. As a community service, our commitment is to offer wellness education, training programs and activities throughout the year to prolong a pet's life, to raise the level of care and to improve the quality of life.

Engaging and inviting. To make it convenient and enjoyable for you, we've made Wi-Fi Internet connection available for lap-top users and we've designed an outdoor environment with picnic tables and benches for watching dogs play or just hanging out with your best friend.

Neighborhood venue. We welcome and sponsor fundraisers, and community and social events for dog owners and enthusiasts alike.

Something for everyone...

Please join us for upcoming events. Everyone's welcome!
